

VOLUNTEER OPPORTUNITIES

Is your organization looking for unique volunteer opportunities? Get out of the office and away from the computer screens for a day and donate your time to a hands-on outdoor project at Riveredge! We'll work with you to design projects that fit your employee's talents and skills

There are many volunteer opportunities to choose from, including:

- Environmental Education - Chaperone youth groups or volunteer as a naturalist.
- Research & Stewardship - Clean up trails, split wood, work in the organic garden, and more.
- Events - For special events, help out in information booths, set up tents and tables, or even hand out beer samples.

We provide all the instruction and training you'll need.

WHY VOLUNTEER?

Or perhaps you're inspired by Riveredge's mission and want to devote a little bit of the work you're already doing to the cause? That's great too!

Donations of in-kind services allow us to devote more of our time to teaching kids the wonders of nature, battling back invasives, and planning special community festivals.

**JOIN THE MOVEMENT.
MAKE A DIFFERENCE.**

Whether you have expertise in design services, construction, IT support, printing, or other skills, we'd love to partner with you!
