BIRTHDAY CELEBRATIONS

PROGRAMS FOR EVERY SEASON

SURVIVOR CHALLENGE YEAR ROUND AGES 9-12

Have you got what it takes to survive? You and your group are faced with a set of challenges that will test your outdoor survival skills. Cross the acid river, construct a rustic shelter, and create cordage from natural materials.

ANIMAL TRACKS, FURS, AND SKULLS YEAR ROUND AGES 4-12

During this hands-on adventure, party guests will have a chance to handle animal skulls and furs. Learn common animal tracks so you can become an animal tracker in your neck of the woods!

GEOCACHING YEAR ROUND AGES 7-12

There are millions of geocaches hidden worldwide! On this treasure hunt, you'll be provided with a GPS unit to find your way to several hidden caches at Riveredge.

S'MORES QUEST YEAR ROUND AGES 4-12

Follow the clues and navigate your way through the landscape of Riveredge. Along the way, your group will complete challenges to earn all ingredients necessary to make the perfect ooey, gooey smore! Finish up around a campfire to cook your sweet treat.

SEASONAL PROGRAMS

WILD IN WINTER DEC-FEB AGES 2-12

Snow, ice, mud, bubbles, animal adaptations- this adventure includes activities tailored to the weather conditions, but may include: a snowshoe hike, sledding in the yard, ice bowling on the pond, ice globe creations to take home, and/or building animal homes. Warm up inside with cocoa and a wintry story to finish your celebration.

MAPLE SUGARIN' BIRTHDAY! MARCH AGES 4-12

The sweetest celebration there ever was! Hike the maple forest, tap a tree, taste sap and syrup, and experience the magic of Maple Sugarin' season!

AWESOME AMPHIBIANS & RADICAL REPTILES! APRIL-OCT AGES 2-12

Be on the lookout for these unique critters as you hike to habitat hotspots for frogs, toads, salamanders, and snakes! Spend time getting to know our resident Ornate Box Turtle, Glitter.

INSECT-IGATION MAY-OCT AGES 4-12

Sweep the grassy fields and hillsides for hoppers, beetles, flies, and more! Discover what is in your net, get an up close look under a magnifying glass, and handle insects with care as you embark on this insect investigation.

FOREST FAIRIES AND GARDEN GNOMES

MAY-OCT
AGES 2-8

Welcome to an imaginative world full of fantastic forest fairies and neighborly gnomes! We will peruse a guide on [How to Find Forest Fairies](#), build Gnome Homes, and explore various ecosystem niches for signs of our fantastical friends!

CRAYFISH CATCHIN' JUNE-SEPT AGES 6-12

Tie on your old sneakers and wade into the River in search of crayfish big and small! Learn to catch these tricky river dwellers and observe how they survive in the river habitat. Participants' shoes will get wet, so pack an extra pair!
