Summer 2021 is just around the corner and we hope you will join us on a new adventure with Riveredge Nature Journeys camps. As we embark on our paths through this strange new world, we recognize that camp may look a little different going forward but the true essence of camp remains. Camp allows us to build communities who keep us grounded, assist us in becoming better people, and engage in new experiences. Our camps do exactly that for campers and their families, they connect people (preschool through adult) with the natural world in a deep and meaningful way, building skills, and awareness from one camp to the next.

Our first and foremost priority is to provide a safe unforgettable experience for our campers. Campers participate in hands-on explorations as they ask questions about the mysteries of the natural world, uncover evidence at their fingertips, and draw conclusions based on personal experiences. Of course, there is plenty of time for engaging in unstructured play throughout the day! We want kids to experience the freedom of the outdoors, get dirty, and have fun.

We dedicate our summers to the growth and success of our campers. Interactions with other campers and with our highly qualified staff of educators (at 7 or fewer campers to one adult) allow each person to receive individualized attention. Lessons learned from role models other than parents are often taken more quickly to heart. Our goal is to give campers tools and strategies they can use to continue to explore the wonders of our natural world throughout their lives.

By connecting and building along our path from Discoverers, Pathfinders, Trailblazers, Garden Wonders, Explorers, Guardians, Stewards, Questers, and on through Family Adventures, campers can imagine and realize what we can become.

Please review this brochure to find the best path for your campers, your family and you. We look forward to making new memories with you in 2021!

**COVID-19 INFORMATION**

As the situation continues to evolve, Riveredge will continue to adapt our programs while keeping the health and safety of our families at the forefront. We will continue with masks, small cohorts, social distancing, and spending as much time outside as possible. At the time of this printing, we plan to run all of our overnight camps as planned. In the event that we are unable to do so, sessions with an overnight will instead have a full day of camp on Friday. If your child or someone in your household has Covid-19 or has a possible recent exposure, please do not attend camp. We will work with you to find an alternate week to attend, transfer funds to summer 2022, or provide a refund.

Hey campers! Do you like to explore new and interesting places like forests, ponds, rivers, fields and even islands? Then Trailblazer Camp is what you are looking for! Explorers, are you ready to make forts, climb trees, and find adventures of all kinds? Join us for a week of exciting habitat explorations and learn how to find adventure wherever you are in the great outdoors. Under the guidance of a certified instructor, we’ll climb into the treetops using ropes and special equipment. Throughout our adventures, we’ll discover how nature sustains and engages all living things, including us!

Imagine a landscape of enchanted forests and fields populated by gnomes, fairies, and talking animals. SUMMER CAMP REGISTRATION

Registration for the Nature Journeys Summer Camps will be taken through our online registration system. You may access the registration system through the Summer Camp website (click on the Summer Camp picture block on the Riveredge home page at RiveredgeNatureCenter.org).

When registering, make sure you have all the medical information (insurance, primary doctor, medication, etc.) handy for the child you are registering. You will have to fill out a medical information form during the registration process. Online registration will close the Wednesday before the week of a camp. Spaces may still be available at that time, call 262-375-2715 for availability.

**Membership Discount:**
Riveredge membership starts at $40 and discounts on camps range from $20-$30 based on the camp. That means that a basic membership nearly pays for itself on day one and still provides many other benefits all year round! Visit RiveredgeNatureCenter.org/membership for more information on membership benefits, levels, and signup.

**Extended Care**
Riveredge is happy to provide before & after camp extended care for our full day campers. Our programs allow campers to spend just a little more time exploring Riveredge with earlier drop off (7:30 am) and/or later pick up (5:30 pm) with daily or weekly options. Camp counselors will encourage your camper’s imagination through games and activities and they will have plenty of time for free play in our natural playground. An option will be given during registration to receive more information on extended care options.

**Multiple Camps/Children Discount:**
If you register for multiple camps (they can be for the same child or different children), you will pay the normal fee for the first camp and receive a 10% discount off of each additional camp. Please note, in order to receive both the multiple camps and multiple child (i.e. signing up 2 children for 2 camps a piece) or the multiple camps for a single child discount in the same registration, you must pay 50% of your registration cost and contact Riveredge directly at 262-375-2715 to have the remaining balance adjusted.

**Waitlist:**
Riveredge camps are popular and fill quickly! Waitlists will be formed when camps have reached their capacity. It is beneficial to put your name on a waitlist since many times spots open up due to family scheduling conflicts. There is no fee to put your child on the waitlist. If enough campers are on a waitlist for a particular camp, we will attempt to add another camp session to that week depending on staff availability.

**Payment:**
50% of camp fees are due at the time of registration until May 1, 2021. *Full payment for all camps is due by May 1st.* You may make payments on your account at any time through the Active registration system using your log-in information.

**Camperships:**
Thanks to generous donors, Riveredge is able to offer camperships to families who may not otherwise be able to attend camp. Contact Steff Merten at smerten@riveredge.us for more information and an application. If you would like to donate to the campership fund, that can be done during camp registration or call 262-375-2715.

**Cancellations:**
Registrations may be cancelled up to 30 days prior and receive a refund of registration fees minus a $50 non-refundable deposit. If you cancel less than 30 days before your week of camp, refunds are only given for medical reasons and family emergencies. These refunds are also subject to the $50 non-refundable deposit.

**Switching Camps:**
If you’d like to move your camp registration to another camp, we are happy to accommodate those requests if space allows. Each date/camp change is subject to a $25 fee. Please contact Riveredge directly at 262-375-2715 to make a date change request.
